Sales continue to be very strong in Dry DF studs as mills pushed up prices another \$10/20m this week. Green studs are strong on the west coast and OSB is looking for a trading level. Random tallies on SYP were flat earlier in the week but are gaining momentum. OSB sales in the South were slow early on in the week but watch for it to inch its way up. Severe weather across the Southeast has slowed demand. Football is coming to an end. Get ready to pick your squares for the final showdown!
