Prices are F.O.B. mill, excluding freight

After a couple of weeks of price increases, OSB manufacturers saw a more muted tone this week. Lumber markets continue to be lethargic. SYP in particular is suffering from a lack of pull through as weather in South Texas has mucked things up. SPF is lackluster even after a number of supply curtailments have been announced by the Canadian mills. We are getting closer to a much needed three-day weekend, so think ahead for your needs!
