Composite Average	330	-07	354

Prices are F.O.B. mill, excluding freight

Commodity markets continued to drop this week as supply tries to catch up with reduced demand. Western SPF 2x4 found at least a temporary bottom as recent curtailments took hold. Reports that off shore purchases increased helped as well. SYP and DF markets are still sliding as weather in key markets was unfavorable. OSB continues to drop, as does plywood. Thank you to all who are still building and making it happen!
