Prices are F.O.B. mill, excluding freight

Welcome to the Twilight Zone. This week for most seems more like a bad - or at the very least - an uncomfortable dream. Commodity markets that were on a solid upswing just two short weeks ago have succumbed - like everything else - to the coronavirus collapse. Secondaries are squirming to move off positions, with brokers trying to short the market to buyers who are disinterested and left wondering what could be next. Just when you think you've seen it all...
